○Zoom : https://temdec-med-kyushu-u-ac-jp.zoom.us/webinar/register/WN_7TK9AHtBR1az1DjM8RuWbg

■ OUTLINE

In 1982, the Malaysian government adopted the Look East Policy, which aims to promote Malaysia's socio-economic development by learning from Japan. 2022 will mark the 40th anniversary of the Look East Policy. This session will provide an opportunity to learn about the role of the Look East Policy and the Malaysia-Japan International Institute of Technology (MJIIT), which was established on the campus of Universiti Teknologi Malaysia as part of the culmination of the Look East Policy.
