

## Learn about the Tiwan's ADGs — Current issues and challenges of SDGs in Taiwan —

■ **Date and time** : November 9, 2022 (Wednesday) 15:30-17:10

■ **Place** : Live online distribution via MS-Teams

■ **Language** : Japanese and English

■ **Summary** : In the case of Taiwan, the Taiwan government is actively and systematically implementing policies toward Sustainable Development Goals(SDGs), disclosing high results every year. The National Taiwan University and the National Tsinghua University have been working towards SDGs in terms of researches and educations, respectively. Taiwan's efforts have many implications for Japan, so we will introduce them in the Taiwan session of Asia Week 2022.
