

Telemedicine in Asia

■ DATE 13:00PM – 14:00PM, November 7th, 2023

■ VENUE Online

■ LANGUAGE English

■ OUTLINES What comes to mind when you hear the word "telemedicine"? Telemedicine can be categorized into two types, Doctor to Patient(D to P) and Doctor to Doctor(D to D). We invite two speakers who specializes in telemedicine to give a talk on each type of telemedicine using real world examples.
