

Observe Cultural Changes in Northeast Asia

* **Date and time** : November 10, 2023 (Friday) 16:30-18:00

* **Place** : Live online distribution via ZOOM

* **Language** : Japanese and English

* **Summary** : Northeast Asian countries such as Japan, South Korea, China, and North Korea have had a great influence on each other in terms of their proximity. Therefore, they share similar cultures such as food culture and the use of kanji. On the other hand, it is also true that each of these countries has blossomed its own unique culture due to the different circumstances in which they are placed both domestically and internationally. In this session of Asia Week 2023 we will invite experts from each country to introduce the state of cultural variation in Northeast Asia.
