BSA-KU Academic & Cultural Networking Forum

Connecting Research, People & Ideas

Theme: Mapping Research Strengths, Fostering Collaboration, and Building the Kyushu University Bangladeshi Academic Community

This is a 75-minute networking and community-building program designed to strengthen academic connections among Bangladeshi students, researchers, postdoctoral fellows, and faculty members at Kyushu University.

The program will provide a platform to introduce diverse research expertise, facilitate cross-disciplinary collaboration, encourage mentorship and academic exchange, and strengthen the Bangladeshi academic community at Kyudai.

Our Goals

**Research
Collaboration**

Mentorship

**Knowledge
Exchange**

**Community
Engagement**
