開催概要									
主な概要 Outline	<p>As part of Kyushu University Asia Week 2025, this event marked the launch of the IJSSTE (India Japan Society for Science, Technology and Education) Kyushu–Okinawa Chapter. The program introduced IJSSTE’s mission to strengthen academic and research exchanges between India and Japan and highlighted opportunities for student and faculty engagement in the region.</p> <p>The event included opening remarks, a keynote message, and a panel discussion where professors and alumni from India and Japan discussed the potential for India–Japan academic collaboration, barriers faced by researchers and students, and practical steps to deepen bilateral partnerships. Ongoing collaborative projects were presented, followed by an open discussion on future directions for joint research, student mobility, and university networking.</p>
