開催概要	
主な概要 Outline	As part of Kyushu University Asia Week 2026, Vande Nippon 2026 was a vibrant cultural evening celebrating India–Japan friendship through music, dance, and interactive activities. The event brought together students, faculty members, and guests representing 22 countries, providing a wonderful platform for cultural exchange and international interaction. The program featured captivating dance and musical performances by international students of Kyushu University, showcasing their diverse talents and cultural backgrounds. The evening was further enriched by a special guest performance by a professional Japanese dancer. Participants also enjoyed a variety of interactive cultural activities, including Diya painting, Henna application, and a Saree-draping session. These activities were particularly well received, with many guests enthusiastically participating and experiencing different aspects of Indian culture. Overall, Vande Nippon 2026 was a resounding success, fostering meaningful interactions and strengthening the spirit of India–Japan friendship. The event provided a lively and engaging platform for celebrating cultural diversity, building connections, and promoting mutual understanding among the international community at Kyushu University.
